**Valid from 1/10/2015.** Fees are under review and may be revised at any time. The fees relate to inspection and certification charges but do not guarantee that a Certificate of Compliance will be issued

A pre-assessment visit is available at a charge of £250 + VAT which will be credited against the second year's certification fee.

For operators with more than one site registered with us a further 10% discount will be available for the second and subsequent sites

For operators registering an Organic, Compost or Anaerobic Digestion unit with us we would be happy to discuss a discount for registering all the units with OF&G.

The fees above cover all costs for the year for the inspection and certification of plants within mainland Great Britain. For plants outside mainland Great Britain (including Northern Ireland, Scottish Islands, Channel Islands and the Isle of Man), additional charges will be applied to cover travel and accommodation.
